**REPORT AND ORDER
(Proceeding Terminated)**

Adopted: December 16, 2014

Released: December 16, 2014

By the Chief, Video Division, Media Bureau:

1. The Commission has before it a Notice of Proposed Rulemaking¹ issued in response to a petition for rulemaking filed by Entravision Holdings, LLC (“Entravision”), the licensee of KCEC(TV), channel 51, Denver, Colorado. Entravision requests the substitution of channel 26 for channel 51 at Denver.

2. Entravision filed comments reaffirming its interest in the proposed channel substitution and explaining that the channel substitution will eliminate any potential interference with a wireless operator in the Lower 700 MHz A Block located directly adjacent to channel 51 in Denver.² Entravision further states that upon adoption of the channel substitution, it will file an application for a construction permit for channel 26 and place the station into operation.³

3. We believe the public interest will be served by substituting channel 26 for channel 51 at Denver for the reasons stated by Entravision. Channel 26 can be substituted for channel 51 at Denver, Colorado as proposed, in compliance with the principal community coverage requirements of Section 73.625(a) of the Commission’s rules, at coordinates 39-43-58 N. and 105-14-08 W. In addition, we find that this channel change meets the technical requirements set forth in Sections 73.616 and 73.623 of the Commission’s rules with the following specifications:

City and State	Channel	Power (kW)	Antenna HAAT (meters)	Service Pop. (thous.)
Denver, Colorado	26	550	244	2,756

4. We also conclude that good cause exists to make this channel change effective

immediately upon publication in the Federal Register, pursuant to Section 553(d)(3) of the Administrative Procedures Act.⁴ An expedited effective date is necessary in this case to ensure that station KCEC(TV) can promptly vacate channel 51 to make way for new wireless service by Lower 700 MHz A Block licensees.

5. Accordingly, pursuant to the authority contained in Sections 4(i), 5(c)(1), 303(g) and (r) and 307(b) of the Communications Act of 1934, as amended, and Sections 0.61, 0.204(b) and 0.283 of the Commission's rules, IT IS ORDERED, That effective immediately after the date of publication of this Report and Order in the Federal Register, the Post-Transition Table of DTV Allotments, Section 73.622(i) of the Commission's rules, IS AMENDED, with respect to the community listed below, to read as follows:

<u>City and State</u>	<u>Channel Nos.</u>
Denver, Colorado	7, 9, *18, 19, 26, 32, 34, 35, *40, 43

6. IT IS FURTHER ORDERED, That within 30 days of the effective date of this Order, Entravision Holdings, LLC shall electronically submit to the Commission a minor change application for a construction permit specifying channel 26 in lieu of channel 51 on Form 2100, Schedule A, using the Commission's Licensing Management System (<https://enterprise.filing.fcc.gov/dataentry/longin.html>).

7. The Commission will send a copy of this Report and Order in a report to be sent to Congress and the Government Accountability Office pursuant to the Congressional Review Act, *see* 5 U.S.C. § 801(a)(1)(A).

8. IT IS FURTHER ORDERED, That this proceeding IS TERMINATED.
